

## **Society of Women in Urology** Travel Award Application

### **Background**

The Society of Women in Urology is proud to continue the support of a resident to travel to the 2010 American Urological Association (AUA) Annual Meeting. The travel award is designed to allow deserving female medical students, residents, graduate students, and post-docs to present their research at the AUA Annual Meeting. Applications will be accepted for this \$1000 award after potential candidates have confirmed notification that their abstracts have been accepted for presentation at the meeting. Awards will be based on the scientific merit of the accepted abstract.

Awardees are expected to attend the 2010 SWIU Breakfast Meeting (Sunday, May 30, 2010), SWIU Women Leaders in Urology Forum (Tuesday, June 1, 2010) and the SWIU Networking Reception that immediately follows the forum. We will ask the awarded to prepare a five-minute summary of their work to be given at the conclusion of the Women Leaders in Urology Forum.
